Sarah has checked with the Technology Department at the High School and they are happy to produce a wooden game for the Summer Fair.

**Article in the Newsletter**

The group spoke again about promoting the PFA, it was suggested that we could have an article in the Summer newsletter. If we could produce a short piece on the fundraising that has taken place throughout the year that will promote the fantastic work the PFA does. We could also add some photos of the stalls/nights or of the items that have been purchased through our fundraising efforts.
