

Hessle High School & Sixth Form College

Welcome to our Open Evening

Modern Foreign Languages

The Course

The course allows students the opportunity to study French, German and Spanish during their time at Hessle High School and Sixth Form College. It will help them develop language skills as well as teaching students about foreign cultures and societies.

During Key Stage 3 students will cover a wide range of exciting topics:

Year 7

- personal information
- free time and hobbies
- where I live
- like and dislikes
- family and friends

Year 8

- TV and cinema
- house and home
- food and drink
- past holidays

Students are actively encouraged to continue with Modern Foreign Languages for their GCSE studies.

Assessment

Listening, reading, speaking and writing activities are all assessed against the new 9-1 GCSE grading system.

How Parents Can Help

- check books for completion of regular homework tasks
- ask your child about what they have learned and get them to teach it to you!
- discuss experiences beyond our own culture in a positive way and encourage interest in foreign cultures

Subject Leader – Mrs Groak

‘Every child is capable of extraordinary achievement’
