Dear Parent

To support our collaborative project with Dryden Street Primary School in Cape Town, we would once again like to invite you to come and work with your child to make Ecobricks. This is in preparation for constructing either an outdoor building, or social seating on the school grounds.

This event will take place in the main hall on Wednesday 8 January. The times of the parent sessions are listed below:

12.45 – 1.15pm	FS2
1.20 – 1.55pm	Years 1 and 2
1.55 – 2.30pm	Years 3 and 4
2.30 – 3.05pm	Years 5 and 6

It would be very helpful if you would be able to save and bring with you any non-recyclable plastics. Empty 1.5L or 2L bottles can also be brought to fill during the session. Another useful tool would be a wooden spoon or similar to push the plastics down into the bottles.

We look forward to your support

Yours sincerely

Mrs Preston
