MODEL: SR3/SR10

**SPLITTER WEAR PADS**

***PRIORITY – LOW (INFORMATION)***

To help prolong the life of GRP and Carbon splitters Radical has increased the thickness of the splitter wear pads by 3mm.

Customers are reminded to regularly check the condition of their wear pads to prevent damage to the splitter.

The part numbers for these wear pads have remained the same.

MU0004 – Splitter wear pad corner

MU0078 – Splitter wear pad center
