

Radical SR1 Cup

MSA Championship Permit No: CH2018/R087

Proposed added regulation

4.6.4 All SR1s regardless of age are permitted to be upgraded with the MY2017 Gen2 bodywork and aerodynamic specification. This must be fitted in its entirety. MY2017 Gen2 and previous specification body components cannot be mixed.

Reason:

To allow Generation 1 cars to be upgraded to identical specification as Generation 2 cars.

Proposed added regulation

4.11.5

d. All SR1s regardless of age are permitted to be fitted with the MY 2017 Gen2 dashboard, switchgear and datalogging/LCD display system as supplied from Radical Sportscars.

Reason:

To allow Generation 1 cars to be upgraded to identical specification as Generation 2 cars.
