

Mr Tyre Motorsport Event Operating Procedures Covid -19 2020

In 2020 Mr Tyre Motorsport will be operating a paper less tyre ordering system only.

These changes will keep ourselves in line with Government & MSUK guidelines previously published.

All tyres that are required for events will need to be pre ordered at least 5 days before the event.

To Pre Order Tyres, please call or email 01827 211021 dan@mirtyremotorsport.com

Fitting Guidelines

- **Please ensure that all wheels are washed with disinfected soapy water and rinsed before dropping them at the fitting service at a clearly marked location**
- **Please ensure all wheels have been dried. No wet wheels will be accepted.**
- **Please remove all wheel weights from rims before dropping wheels off at the fitting service**

Access will NOT be granted within the Tyre fitting service area, to any team members or drivers. Please keep the required distance at all times.

Upon completion, tyres can be picked up from the collection area, this will be clearly marked out for you.

Please ensure wheels are dropped of in adequate time before the start of your sessions. Mr Tyre Motorsport staff, can't be held responsible if any sessions are missed by drivers, due to poor team time management.

Thank you in advance for adhering to the guidelines above & supporting us during these times. We look forward to hearing from you in due course.

Thank you.
