

Radical World Finals – Las Vegas 2022

Eligibility

Open to all, with priority given to present and past Radical racers.

Classes

PLATINUM - SR10, SR8, RXC

PRO 1500 - SR3 XX, SR3 RSX, SR3 RS (1500cc engines)

PRO 1340 - SR3 XX, SR3 RSX, SR3 RS (1340cc engines)

Race Format

The Radical World Finals format will see the cream rise to the top, tests both outright pace and race craft, as well as offering redemption for those who have a mishap along the way.

Track density and class car counts will determine

Qualifying only sets the grid for the first of three heat races. The fastest laps in each heat race set the grid for the following heat race. Points collected in each heat race determine the starting order for the 'winner takes all' World Finals race.

Prizes

Trophies will be awarded to the podium place getters in each class for each of the three heat races, as well as the World Finals.

The World Champions of each class will also have their names added to the Radical World Final trophy.

Shipping Cars

Due to ongoing ocean freight delays we recommend cars be air-freighted to the Las Vegas World Finals. Economy can be achieved on the return journey by consolidating freight in containers, ie 3 cars to a single 40ft container.

For cars leaving UK/Europe please plan to have car prepared for pick-up/delivery for air-freight as early as Wednesday, October 12.

Indicative costs are as follows:

Air-freight from UK to USA – GBP £6,200

Air-freight from USA to UK - TBA

Sea-freight (1/3 container) from USA to UK - TBA

Please contact your trusted freight partner to facilitate.

Rental Racing Cars

American dealers and teams have a number of rental cars available, including a fleet of ten SR3 XX 1340 cars. Please register your interest here.
